HAVE YOU CONFIRMED YOUR INCOME FOR THE 2018-2019 YEAR?

As part of Child Care Subsidy balancing families need to confirm their income. For the 2018-2019 financial year you need to do this by 31 March 2021. Services Australia would have sent you a letter to remind you of this.

If you don't confirm your income by 31 March 2021 your CCS will stop. **This means you'll be charge the full fee.** If you confirm your income after 31 March, your CCS can start again **but it won't be back paid.**
