# High Performance Classes

This term we started our high performance classes, for Yellow Stripe Belts and higher.

These classes are for our martial arts high achievers and involves a higher intensity of training, including training for full contact sparring, poomsae, board breaking and self defence.

We'll be handing out invites for our Term 3 classes soon.

# Progress Cards

With grading day just around the corner, our martial arts will start handing out Taekwondo progress cards to children at the centre.

These cards are completed to let you and your child know how they are doing during martial arts and how close they are in progressing to the next belt!

If your child is not attending Inspire...

You must let us know by 1:00pm on the day!

# Reading Challenge

The Inspire Reading Challenge has begun, and will run until Week 7 of this school term, with prizes going out to the children who can read the most books.

You must record the books you read onto your Reading Record. Make sure to place your reading record into your centre's Reading Challenge Box before Monday 7th June to enter!
