As part of the Child Care Subsidy balancing ,families need to confirm their income for the 2018-2019 financial year. You need to do this by 31 March 2021. Services Australia would have sent you a letter to remind you of this.

If you don't confirm your income by **31 March 2021** your CCS will stop. **This means you'll be charged full fees.** If you confirm your income after this date, your CCS will start again **but it won't be back paid.**
