CHRISTMAS 2021

THANK YOU FROM ALL OF US AT INSPIRE

Dear Inspire Families,

When all appeared to return to 'normal', 2021 continued to be another challenging year for us all. Despite these barriers, Inspire carries on and does what we do best: innovate and keep connected with our wonderful families. Even with the lockdown and with fewer children attending school and Inspire, there are plenty of highlights from the year, and we would love to share them with you in this book.

As always we have lots and lots of great things planned for 2022; a new and improved numeracy and literacy program, bigger and better grading days and the larger than life Homework Heroes to name a few.

We hope that you and your families have a wonderful Christmas season and a fantastic new year. For those that will be leaving us at the end of the year, we wish you all the best and to those who will be returning, we look forward to seeing you for a great 2022 at Inspire!

Kind Regards,
The Inspire Team

This year has truly been a journey and I am so proud to have gone through it with all of you. I want to thank every one of you for the trust, support and understanding throughout my time as your RP and although I won't be with you guys next year, I know that you will be well looked after by Lachlan and Tina (your new RP - Tina has been with Inspire for many years and has worked at Inspire Roseville). I hope you all have a fantastic holidays, an even better new year... and of course, don't forget to stay weird!

- Farhan

Jasper Road

2021 has been an interesting year with loads of exciting additions to our program. We recently introduced the Beast Badges to motivate children for Taekwondo, and also launched our Homework Heroes to encourage them for homework. I hope you all have an amazing Christmas and a very happy new year, and I look forward to seeing you all next year!

- Robert

Kellyville

Whilst this year has definitely been an interesting one at Inspire, we have been so lucky to end it on a positive note with the return of most of our students. We have had lots of fun this year at Kellyville creating and playing during Inspire time, launching our new homework heroes initiative and getting to watch our students working hard to move onto their next belt. We hope all Inspire families have a wonderful and safe Christmas break and we can't wait to welcome you back for 2022!

- Rachael

Model Farms

Having previously been the RP at our Carlingford centre (also situated in a high school facility) I'm looking forward to the excitement to growing our Model Farms centre - and slowly but surely, I'm getting to know all of our children and families. In the meantime, stay safe and I look forward to seeing you all in 2022!

- Georgia

Oakdale

I can't believe we are at the end of our first year! I couldn't thank you all enough for your support with Inspire. I hope you all enjoy your holidays and get some rest. Have a wonderful Christmas and Happy New Year. See you all next year for some more fun, laughter and memories.

- Chelsey

Pennant Hills

Wishing the children and the families of Inspire Pennant Hills a wonderful and safe Christmas! Looking forward to seeing you all in the new year. Enjoy family time & have loads of fun. Stay cool and stay safe.

- Rohini

Roseville

We wish all our families a Merry Christmas and a very happy 2022! This year at Roseville we were amazed by a variety of different activities, tons of homework booklets and we also introduced homework heroes. To motivate children on the mats we offered martial arts badges. Now children are keen to test their patterns on Grading day. Next year we will come up with more exciting experiences. See you all next year!

- Damon & Luci

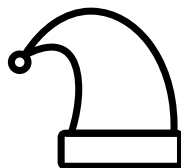

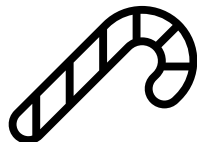

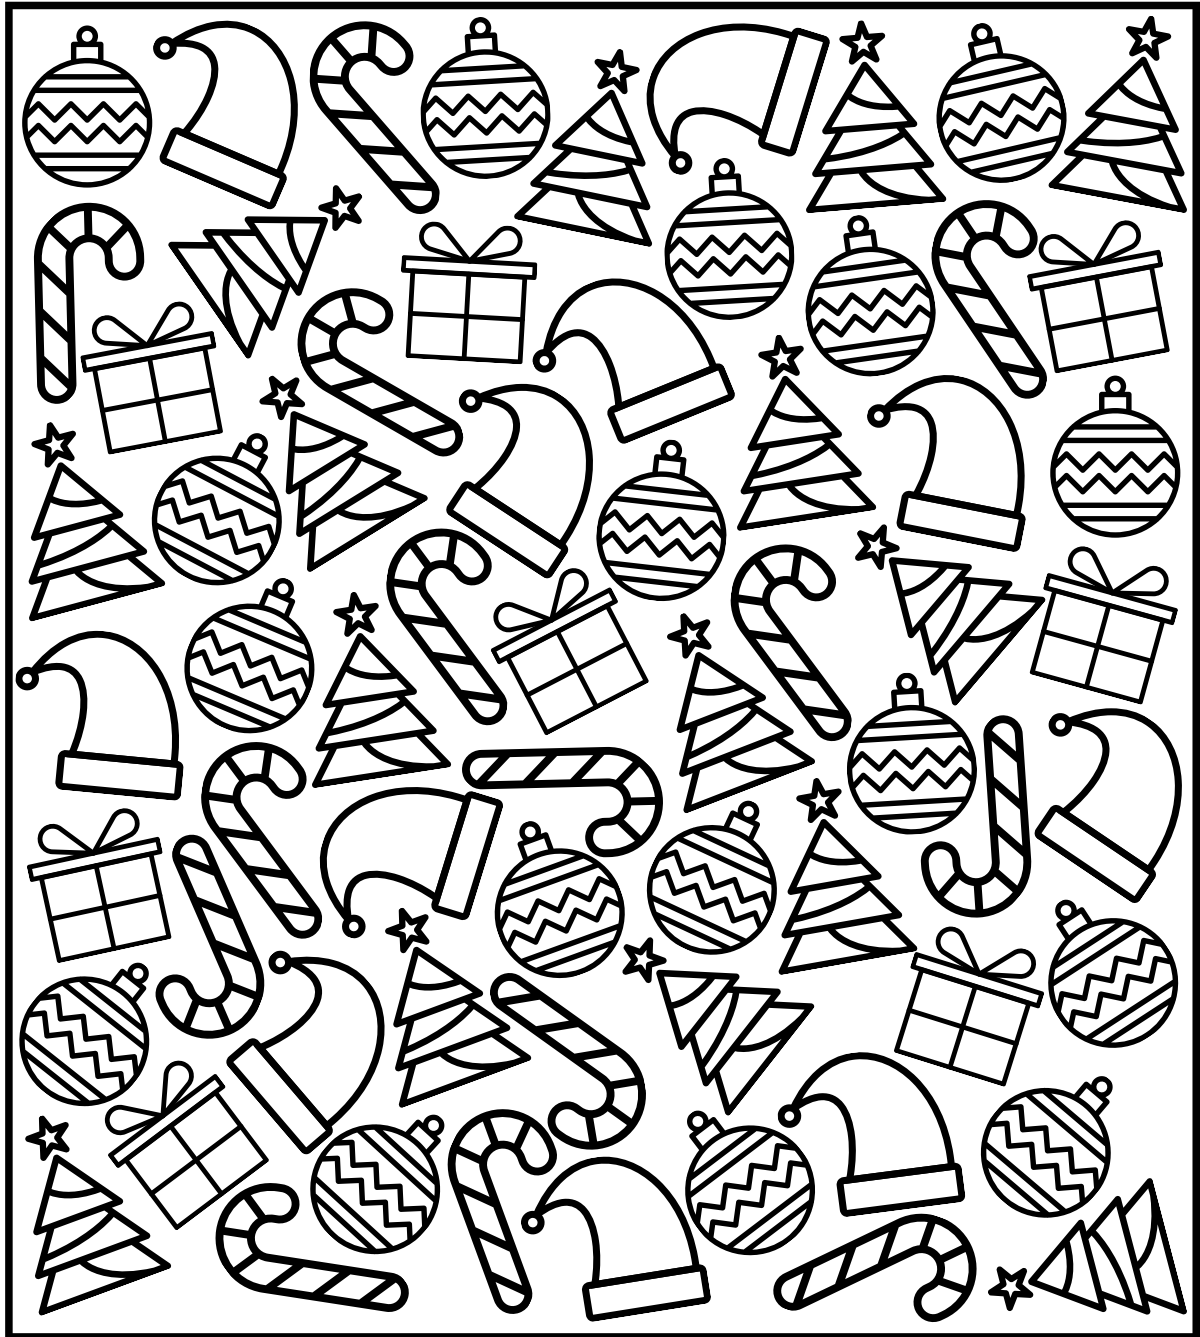

Willoughby

As I reflect on 2021, it is safe to say it's been an interesting, fun year at our Willoughby Centre. I have thoroughly enjoyed getting to know the children as individuals and I am truly honored to have witnessed them continue to grow. I wish you all a very Merry Christmas and a Happy, Healthy, and Peaceful New Year. Look forward to seeing you again in 2022.
