# INSPIRE NEWS

## Mandatory Vaccination, a message from our Founder

The NSW Government has mandated that all childcare workers are required to be fully vaccinated by 8th November 2021. This is when all students in Greater Sydney will return to face-to-face learning at school.

Inspire supports the government's decision to make Covid-19 vaccination compulsory for school staff and childcare workers. As a company, we are leading the way with 100% of our head office staff now having had their first dose, of which 52% are fully vaccinated.

While the future of what Covid-normal looks like remains uncertain, Inspire is fully committed to the safety of our children, families and staff. Stay safe.

## Lock down packs

We know that the reality for many families at the moment involves working from home, learning from home, and playing from home - which we know can be really hard! Which is why a couple of weeks ago we sent out "Inspire's Lock Down" pack.

Thank you everyone for your photos and positive feedback, it's great to know we were able to provide some fun experiences and keep the kids busy while they've been at home!
